How to Use This Guide

Beginning with number 1 on August 2 and advancing through each day, let's join with one another as one body, praying with one voice for three minutes each morning. Similarly, we will join in fasting every Wednesday from breakfast to dinner. This posture of prayer and fasting will be our church's first steps toward growing together in our ability to walk by the Spirit and hear His voice.

Parents, consider incorporating these prayers into your dinnertime and bedtime prayers with your children so that they can learn to seek God's kingdom in every area of their lives.
